“ Tommy, Cindy, Gigi and family~My thoughts and prayers are with you all. I do remember your mom from all the times I would go to your house. She was a very nice lady. We shall see her again and for eternity...never to be separated. Praise the Lord! Love you!

“ We send our prayers and sympathy to the Pahula family. We didn't know Frances, but she must have been a very special woman to raise such a fine son as Tom Pahula, who we know from the US Postal Service in South FL. I'm sure his marriage to Loretta pleased his mom very much to know her son had found such a wonderful woman too.

“ May your mother now rest in peace. She is with our maker and in a much better place. Though she has left you behind she will be waiting with open arms when you should meet again. May God be with you and your family the next few days as you say your final goodbyes. Prayers and Love for you all. Love, Lisa

“ Dear Tommy, Cindy and Gigi. My deepest sorrows are shared with the passing of your loving Mother and my first cousin, Betty. I remember her youthful beauty and know how saddened you are feeling right now with her passing to a much better place. I know she loved you each very much and was loved by you too. Please accept my condolences and know that you are all in my prayers. May she rest peacefully in Poinciana with her Beloved Mother, Frances and the family and Loved ones who are welcoming her in Heaven. Remeber and cherish all the good times!
