“ *I had the pleasure of meeting Fran about 3 years ago. I was asked along with my friend, Janie to clean her home. We had been cleaning for her sister Jonnie and some of her friends. At that time she was battling cancer. You would never know it. She never ever said she felt bad. She always had a smile like this picture. Always a hug, a kiss, and a I love you when we left. She is an inspiration to me. Her strength and courage will live on. I love you Fran.*
