

Frances Ribisi

May 28, 1953 - March 21, 2018

Frances Ribisi- We thought she'd be here forever. Fran was one in a million. She was always honest and true to us and herself. Despite many hardships in her life, she never failed to smile! As a sister, she loved unconditionally and was ready with a joke to make her nieces and nephews laugh. Her friends in Florida and San Francisco are revealing stories of her endless generosity and caring. A free spirit who is flying high now over the rainbow! She will be missed by all who knew her!

A small but exuberant memorial will be held for her in Leesburg, Florida on Tuesday April 17th. Please email for information: ribsmalone@yahoo.com
Another memorial will be organized in her home state of New York.
Information to come.

In lieu of flowers, please consider a donation to the ASPCA or your local animal shelter in Frances' name.

Condolences can be mailed to her surviving sister Mary Kenny and her surviving brother John Ribisi: Mary Kenny 70-16 66th St Apt 1L Glendale, NY 11385 John Ribisi 2599 Alcade Pl The Villages, FL 32163

“*Fran, You were one of the "Originals" the women who were the first to work at the SF wastewater plant. You were a ground breaker, helping pave the way for those of us that followed. Thanks for helping me at work, as well as helping me build my deck at my house. The jade plants you gave me when I moved in are huge now, and flower every spring. I'll make sure I take some cutting from them when I move to WA in a few years. You're flying free now... your journey continues!*

“*Sending deepest sympathy to Frances' family.*

We met Frances at Holiday Travel Resort. Frances was a dear friend and is sadly missed by all her friends at the park. She was always so happy. We had lots of fun at Bingo and other times in the park. You left us too soon, Frances. Miss you dear friend.

“ *This happened a few years ago when Frances was in better health and I wanted to share it to show the kind of person Frances was. She was so much fun.*

We have two white sheep and one black one In our yard at Holiday Travel. Frances lived at the top of our street and one day one of our white sheep went missing, We knew where it had gone, it had moved to Frances' yard. We saw it there and just left it. Well, a few days later our sheep came back and along with it was a white lamb. We had such a laugh over this and still have the lamb with our sheep to this day. At Christmas we put a red bow on the lamb.

We will never forget the fun times we had with Frances at Holiday Travel and were honoured to call her friend. You left us too soon, dear friend. Miss you and we love you.
