“ *Our condolences to the family. When we visited Lady Lake I remember we took Mrs. Williams to the square and she sat in her chair and watched the entertainment while Doug, Janet, Bill and I walked around the village. She loved to dance and was very active for a long time. Such a sweet lady. I know she will be missed. God Bless.*

“ *I have known Janie since 1958, and she was one of my dearest lifelong friends. I have so many wonderful memories of Janie and Bob. We were able to spend quality time together during my visit to Lady Lake, and relive all the fun that we had together. She showed us such a fun time, we went out to lunch, watched line dancing and simply enjoyed just laughing and being together. I will greatly miss her. My Dear friend Janie!! Love Mary Pelechic*
