“ Please know that I share in your grief at the loss of your precious wife, mother, sister, daughter, and aunt. I loved Frankie from the time we were friends in elementary school. I'm so thankful that we were able to rekindle our friendship over the years. She truly fought with all of her being. She loved life, and was blessed with a loving, caring family. As difficult as it is, I know that there is such comfort in knowing that she is now pain-free and in the arms of Jesus...rejoicing, dancing and singing with the angels! With Love,

“ My Condolences to the family. Though I did not know Frankie personally, I had the honor of working with her daughter Ashley which pretty much gave me the idea that she is one of the good moms out there. May you rest in peace

“ My condolences to all of Frankie's family and friends... She was a remarkable woman with an incredible heart. I worked with Frankie for many years in our Orlando Ford office. She was a great employee and an even better person. Always quick with a smile or a kind word. The world was a better place with her in it. I will miss her.
