“*Dear Betty, My heart goes out to you in your sorrow. Jesus knows your pain and cries with you. You had many wonderful years with Frank. Jesus died so death would lose it's sting and you can be together for eternity one day soon. May the blessed hope of Jesus soon return, and the resurrection be your comfort. Weeping may endure for a night, but joy cometh in the morning. Ps 30:5. Remember you are never alone, you are the bride of Christ. Love and Prayers, Kae Borrero*

“*Dearest Betty, Our hearts go out to you and your family at this difficult time. May God continue to uphold and strengthen you with warm memories as you look back and the blessed hope of the resurrection as you look forward. Praise God, we will see Frank again, but then he will be like Jesus. 1 Jn 3:2*
