

Francisco Gonzalez

January 28, 2022

It is with profound sadness that we share the news that our beloved Papi, Francisco Gonzalez has passed.

My father came to New York in 1959 from Puerto Rico in pursuit of the American dream. He was a good man, hardworking, humble, loving, generous, affectionate, good looking and a real charmer! Funny too!

He instilled integrity, honesty, and the same hardworking spirit in us. He was very proud of his 5 children, Nancy, Leidy, Evelyn, Luis and Frankie. His grandchildren were the apple of his eyes, Cindy, Roberto, Charles, Lisa, Joelle, and Ralph Danielle. He wasn't able to really enjoy much time with his 12 Great-grandchildren, due to Alzheimer's Disease but, he showed them a lot of love.

He taught us how important it is to show affection, pushed us to be the best at everything, told us to be strong and optimistic. The cup was always full in his eyes!

Our loss is profound but we have lots of lessons and memories that will help keep him forever in our heart and mind.

RIP Papi

We love you so very much...go be with Mami and your baby son Frankie

“ *I will always remember walking into my house when I was younger and hearing old Puerto Rican jibaro music or the sound of an english speaking commentator and cheering while he listened to a baseball game loudly from his room. To this day the sound of a baseball game comforts and relaxes me. I will love and miss you always grandpa. You will always be in my heart. Your Granddaughter, Joelle*
