“ *Uncle Butch! Everything an uncle should be. When we were kids he provided us with toys that combined fun and adventure with a little bit of danger: a pup tent, a push powered go-cart. He was solid as a rock, and I am going to miss him.*

“ *Frankie was a great man, a loving husband. A truly devoted man to his children and grandchildren. Mostly he was a great friend and neighbor. We are better having him in our lives. He will be missed beyond words. Rest in heaven. Denis & Doreen*
