“ *Diane, Michele and Michael, we are saddened to learn of Frank's passing. He was a wonderful neighbor for my mom for many years. I always enjoyed talking to him and greatly appreciated him keeping an eye out for the boys as they grew up.*

Our Prayers are you.

Frank was my biology teacher at Tavares High School in the late 60's. He was a great teacher and was very popular. After I graduated from college, I needed a place to live for a few months while I was looking for a full time job. Frank let me rent a room from him for next to nothing. It was an urgent need for me at a crucial point in my life. Frank's kindness allowed me to save enough money to get my own apartment after six months. I never forgot Frank's help and my dad and I dearly love Frank, Diane, Michael and Michele. Frank was a great friend, great man and he and Diane made a wonderful Family together. RIP my friend.
