“ I worked with Bill at Burger King for over 6 years. He was like a second father to me. I loved him whole-heartedly as well as Pat. I will be forever grateful to have had the privilege of knowing, working with and loving the incredible man with a laugh and smile I will never forget. I am truly sorry for your family's loss but so incredibly thankful and delighted that he graced this earth for 85 years. I lost contact with Bill but I am delighted to see that he grandfathered his children's children. Such a blessing.
