“ I first met Frank in the mid 80's when he would come into the Honda dealership with Joe. They were like two peas in a pod back then. The jokes and hard time we would give each other was priceless. Frank helped make my decision towards a LEO career. He was a mentor and a friend. My heart hurts to think of our world without such a good man, someone to truly look up to, yet it is filled with joy to have known him. Dee, you and Frank were a match made in heaven. You both would always have a hand out to help others. I thank you both for having touched my life.

“*Dee, I am so sorry to hear of Frank's passing. It seems like only yesterday that he and I were working cases together many years ago. He was always a great friend and always there when needed. He was a truly dedicated father, husband and a valuable asset to Law Enforcement in Lake County. We were a team and he was someone I could always rely on for an honest straight forward opinion. This continued even after I retired. He will deeply be missed by me and my family. Our hearts go out to you and your family. He touched so many lives during his career that I believe he made a difference. He gave so much all of his life. I thank God that we worked together.*”

“ To me, Frank Hitchcock was a true friend, leader and teacher. I am honored to have had the pleasure of working with him at the LPD Criminal Investigations Division. He not only guided me in the ways of criminal investigation, but would give me advice and listen to me when I needed to talk. I could never be able to express the life lessons he taught me in the years that I knew him. He would always call me "kid"....and would always be supportive yet give me his honest opinion, and I loved that about him. He never sugar coated anything....he was wonderful. When I look back on my law enforcement days there at Leesburg Police Department, I will always see Sgt.'s smiling face. Frank Hitchcock believed in me and taught me to believe in myself. I love you Sgt.....Dee, if there is ever anything I could ever do, please let me know. May God bless you and your family during this time.

“ To Frank's family, Since late 1996 until his retirement, I had the privilege of working with Frank from time to time. Frank was always cordial, determined and fast to make sure we (CSI) had anything at LPD's disposal to facilitate our investigations. Frank's humor and camaraderie were second to none, and will be sorely missed, Gene
