“ Audrey,  
We are so sorry to read of your father's death. We worked together, you might remember, for many years at Endicott Johnson and Iron Age Safety Shoes. He always treated every one with the utmost respect. I enjoyed being his partner on the golf course. He always had a smile on his face when he was playing no matter how he was playing. Even though I lost contact with your dad when he retired I will always remember the good times I had with him.

“ I was very sorry to read of Franks' passing.  
I knew him from EJ's in the late 60's where I worked as a sect'y to another shoe buyer. I really don't know who is left re: the buyers at EJ.  
He was a kind man and I think Betty Cody Fish was his sect'y. I found out last year that she passed of cancer 3 yrs. ago; as she didn't want an obit published.  
May he rest in peace.
