“ *I grew up on North Moss street, two houses down the street from the Orme family, and I still have great memories of the Orme family. Red Orme was a great influence on all of the kids in our neighborhood, and the Orme home was the center of most of the activities in the old neighborhood. I can still hear mrs Orme yelling at the top of her lungs, " Freddie, it's supper time!!!!!" Those memories will last forever. Rest in peace Fred, rest in peace*
