“ Come sail away
Come sail away with me
As I leave this earthly place,
If only within your hearts
Keep my memories in a special space,
Where you can visit me anytime
and remember how I made you smile,
Just come sail away with me
If only just for a little while,
I can show you where we've been
and the laughter we once shared,
Just come sail away with me
If you are willing to dare,
To hold my love closely in your heart
and keep my memories with you here,
Just come sail away with me
And know from above you will always be dear...
