“ Michael, My condolences are a bit late but I just learned of Freda's passing today. I am saddened to learn of her passing. I was honored to go through RN training together with her. She had such a sweet spirit along with a soft voice. I know her patients were blessed to have her as their nurse. You are in my thoughts & prayers.

“ Mike, While scrolling through obits, I found lovely Freda's obit. She will be missed. Remember when I was pregnant with the twins 29 years ago and had to get a shot each evening for 100 days? I could meet Freda at Melon Patch rehearsals and she would give me the shot. Always a pleasure to see her on stage.
