“ Nancy, Steve and I were sorry to hear of Fred's passing. Although I didn't know him well, I worked with him at the base in the mid-1960's. He was always kind to me and such a gentleman - - one of those people whose paths cross in life and you wish you'd gotten to know better. I was so happy when you two got together. May all your wonderful times with Fred help assuage your grief. Steve and Pat Degenhart (you may remember me as Pat Bartos) Pace, Florida

“ Aunt Nancy, I am so sorry for your lose. I know we are not nearly as close as I would like to be but you are still family and I love you very much. My dad (Bill Smith) has talked about his family with me and my sister as we were growing up so I know you all in my heart. I wish you all peace and to know you have a family in Texas who loves and thinks about you all the time.
