“ To the McLellan kids, very sorry to read of your Father's passing; your parents were such kind people. We all have a lot of good memories of the old neighborhood on Richmark Lane! I hope you all are doing well and find comfort in knowing your Dad had a full, happy life. May we all live to see 90! Kind thoughts are with all of you.

“ I only knew Fred for a very short time, just a couple of months. But during that time I saw in him a very kind and sweet hearted man, who was thankful for any and all kindnesses done for him. He always had a smile on his face and a kind word for everyone. Always more concerned with and about others than himself. I was so privileged to have met Fred and spend some unforgettable time with him. He will always remain in my heart as one of the nicest people I have met and I am thankful for having known Fred. “ With a sadness in my heart I extend to the MCLellanFamily my heartfelt sympathy and prayers. The McLellan's were neighbors and I spent more time at their house than any place else. Today he met God face to face, and was reunited with Mrs McLellan (Pearl) the love of his life, and their son Michael who was a very special friend of mine. One of our sons was named after Michael. Until we meet again, May they All Rest in Peace. Tom Oslund

“ Pat, Laurie, Nora, Anne, and John. I was saddened to read of the passing of your dad. He was really a great man, as well as neighbor. Fred encouraged us kids to play golf, even letting me use his clubs. Your house was a favorite spot for us to hang out. Good luck to all in the days ahead. Again, sad to see him gone, but glad that I knew him. Mark Clements and family
