“ Frieda was a Mother figure to me when I was growing up. She gave me guidance, courage and love that I'll never forget. I spent so much time at her house that I thought she'd just adopt me! Frieda is; as the Bible says, "More precious than rubies!" She'll always be a special part of my growing up! I miss her!

This 1st year anniversary is surreal and I want the family to know, I'll be praying for you all.

“*Frieda always had that smile on her face, would lay her hand on you with a gentle, caring touch and her eyes would reach your soul and then she would give you a blessing. We believe she touched the heart of everyone she met. She will be missed.*
