“ I remember lots of summertime visits and trips that were always full of activity and fun! Christmas was also a special time for all the Kings to gather and celebrate the season. Not a single milestone was forgotten by you as the years passed including every birthday and significant events like graduations. You were able to make me feel like a special nephew. We love you and will miss you.

“ Swann was a kind and generous man. He was a dedicated teacher, supportive son, awesome brother and brother-in-law, loving father and a giving uncle. He loved to travel and share his pictures and adventures with us. I will always remember how happy and excited he was when he adopted his son Scott. It was amazing to see the love and care he gave to him. He was so proud of Scott's accomplishments and becoming an outstanding young man. He will be remembered and missed by the King Family! .
