“ To the family of Gail Evelyn Lauter my wife Lillian and I express our most profound condolences. To me her brother Dave is like a brother that I never had. “ I am so sorry for the passing of Gail, my condolences to her Family and friends. I too know well the pain of losing a loved one in death. What brought me comfort during that difficult time was God's promise at Revelation 21:4 "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." Very soon death will be done away with . We will see our loved ones again . I hope this comforts you as much as it does me.
