“ *I miss you Mom, more than you will ever know. Feels empty and strange knowing you are gone, but I know you are in a better place with God, Garnee and Papa, Dad and Ila, Boy and Pandi. Know you will always be one breath away in my thoughts, heart, and memories. I love you!*

“ *My Mom was my hero for my lifetime. She was kind, loving, and believed in God with every fiber of her being. She loved her family, pets, and Her country, and her church. I am at peace knowing that she is in heaven. All of the good in me is from her. Godspeed GB*
