“ My heartfelt condolences to Garland's family members for this tremendous loss. Prayers offered his loved ones for tempered faith during the mourning and celebration of his life. Garland directly impacted my life as a wonderful boss, mentor and friend. He had a gift of explaining, describing, instructing or discussing things with very special and compelling wit and humor. He instilled valuable principals as he painted images of his life stories through conversations, regarding situations requiring his sage advice. He will live on through our warm memories, as we continue to share those with others. He will be missed by many for a long time. God rest his soul. With love and respect, Steve (Spoon) Broussard

“ Greg, just heard about Garland, and wanted to let you know how sorry I am. Been there, and it's not an easy adjustment I know. I can't tell you how much I thought about your Dad. Was my district manager for several years with J & L, and was a wonderful ride with him at the controls. He was always a joy to be around no matter how good or bad business was. Will never forget all the times I got to share with him. Prayers for ya'll Greg. God bless.
