“ As I sit here and remember all of the wonderful memories I have of Uncle Gary, one special memory comes to mind...I'll never forget him pulling Olivia around at mom and dad's house in the rope tied bicycle she couldn't ride. He tied the rope and made the entire afternoon a complete joy for her and us. We will all miss him dearly as he was such a wonderful, loving and caring man. Our thoughts and prayers are with you and your family. Love you!

“ *He was always serving others; the state of Tennessee, the United States of America and his family. If there was something you needed and something he could do for you he would do it. He was funny, kind and generous and made the best Bloody Mary ever. We will miss him, his smiles, jokes and the way he cared for my sister with such dedication. Love you Gar!*
