“ *To the family of Gary Lee Brewer:*

I wish to extend my sincere condolences for your loss. May the peace of God bring you comfort (2Cor 1:3&4), until the time when all suffering, including death, will be no more (Rev 21:2&4). At that time tears of sorrow will be replaced with tears of joy (Mark 5:41&41) as we are united with our deceased loved ones. (John 5:28&29) May these promises from God's word the Bible comfort and strengthen you during this difficult times and in the days ahead.

“ *I am shocked and saddened to learn of Gary's passing. His mother, Judy, and my mother were sisters and remained close throughout their lives and although I only met Gary a few times, I knew him to be a kind and gentle soul. My condolences to his immediate family and friends.*

“ Even though I met Gary at Publix... our friendship and real knowing of each other developed through church. When Gary and his Mom Judy came to Leesburg Christian Center little did I know how much he would impact my life. He was so funny... and thoughtful and he understood perfectly my love of coffee and more than once gave me Starbucks gift cards at Christmas time. Also another area in Gary's life that was a blessing to all of us was his respect for the gifts of the Holy Spirit, most specifically the gift of prophecy. Gary operated in this gift with ease and when he shared the words of God our hearts were touched by the love of the Father. We will miss him and next time I head to Starbucks I will drink a cup in his honor.

“ Gary was a wonderful person who could brighten the day of anyone he came in contact with. I was lucky enough to work with him many years ago and I carry many happy memories with me.

“ So sad and heartbroken over the loss of such a wonderful individual. I have known Gary since 1988 when he trained me as a cashier at Publix. Even after I left, we kept in touch and occasionally had dinner together. He called it our "therapy" dinners. Many memories of talking, laughing, crying and just being each others shoulders to lean on during the difficult times and cheerleaders during the happy times.

“ My heart aches for my cousins Owen Jr. and Jack, as they mourn the loss of their brother Gary. I missed out on growing up with him - he was in a later tribe of our family of cousins, so I didn't get to know him until we were both well into adulthood. He was one of the kindest men I have ever known. I saw how he watched over his mom in so many ways, always with patience, love and humor. Throughout his own battles with illness, he remained positive and hopeful, and his heart was full of grace and faith. My thoughts and prayers are with you.
