“ I am saddened to learn of my cousin Gary’s passing and want to offer our sincere condolences to all the family. We had many fun times in our childhood years as we were closest in age. Youth fellowship, backyard games and all the laughter. He was such a kind and generous man. I was so surprised and grateful when he brought me our grandmother Hastings Planet Jr cultivator that his mother, my Aunt Leona, had kept safe. Rest in peace Gary and thanks for the memories.

“ Im so sorry to hear of his passing. Gary was a cousin of my father, Roger DeSilva, from Franklin, N.Y. My family and I came to visit him once and we had the best time. He treated us to tickets to Disney and breakfast. My favorite part was the air boat ride in the gulf. All my condolences to his family. ❤️🕊️

“ Gary, you will be so missed. Thank you for sharing some of your life with me. The chocolates, the breakfasts, the good conversations are all things I will carry the rest of my life. You were like that funny, knowledgeable, wise uncle that was always there when you needed something. I hope you enjoyed your time with me as much as I enjoyed my time with you. Goodbye dear friend, may you get all the 30 point bucks in the sky.
