“ I have heard about Gene for years from one of my closest friends, his daughter Joy. I have never heard one unkind word and in fact she worshipped him for the wonderful father he was. I was jealous of their relationship! I know life as it was will not be the same, but at least he passed knowing he had a wonderful life and family that loved him. My condolences reach out to Joy, her family, siblings, their families and of course his wife. Love, Fran Lobl

“ We thought of you with love today, but that is nothing new. We thought about you yesterday, and days before that too. We think of you in silence, we often speak your name. All we have are memories and and pitcules in a frame. Your memory is a keepsake, with which we'll never part. God has you in His keeping and we have you in our hearts.

“ To Mary Jane, Joy, Jimmy, John, Patti, Ali, Erik, Scot, and all the grandkids: You've gone before, Gene, and way too soon! I'm sure, though, that you're looking down on all of us from Heaven right now, smiling your sweet smile and enjoying a forever "opening day!" Pitch a "no hitter," for us, Babe, just like you did in life, and know that the rest of your team dearly misses its captain already! With sincere admiration to a loving and lovely family man...we'll be seeing you... Love and sympathy to all of you, Melanie

“ *Papa Gino, God saw you getting tired and a cure was not to be. So He put His arms around you and whispered "come to me." With tearful eyes we watched you, and saw you pass away. Although we loved you dearly, we could not make you stay. A golden heart stopped beating, hardworking hands at rest. God broke our hearts to prove to us, He only takes the best.*

“ *Dear Grandpa, Although that you are now in heaven I feel like you're standing right next to me holding my hand. I wonder, if you did not die, would I be able to play a round of golf with you? I will cherish every day that I spent with you. From the times I was a baby until now. Wishing you were here I hope that you have a wonderful time in heaven with Jesus and God. Love your granddaughter, Nikki*

“ My Grandpa was a good man. He was a man that always loved everyone. He was a caring man and a BIG Yankee fan. He always loved me and always cared for me. Everytime I saw him I got excited. I will treasure the last time I saw him and I will always remember that he died peacefully with the Angel guard that we gave him in his hand, holding it tight. Although we might not see him, he is heaven looking down at us. We all miss him but the good thing is that he is not in pain. Everytime I saw him it would brighten, both mine and his day. Now he is in heaven seeing the rest of his family. I remember that one of his dreams was to visit Mickey Mantle and right now I bet he is playing a baseball game with him. Grandpa will ALWAYS be in my heart no matter what.
