“ To Diane, Our sincere and heartfelt sympathy are with you now in your time of sorrow. Gene and you meant the world to us. We were looking forward to seeing you both at the class reunion. The Lord had other plans. Gene will be missed. We all need a quiet time now for reflection to sift through memories and come to grips with what has happened. We all need a time for tears, not for Gene who is now in Heaven, but for ourselves as we realize that things will never be the same. We all need a time to be. When we can open ourselves to God and let the reassurance of his everlasting love start

“ *Dianne & Family My wife and I are so very sorry to read about the passing of Gene. It is sad that we have not had the opportunity to see him recently. We know that he will be greatly missed. We also know he was a great family man and was very proud of his Children and Grandchildren. If you do bring him back to Berks County to bury, it would be an honor to be invited since we had some wonderful memories together. We shall not forget the Golf Cart Christmas Cards. Dianne, we wish you comfort in these times of sorrow and send you our blessing and best wishes. May God Bless You And Keep You. Ron and Mim*
