“ *Gene Serra MD was a dear friend of mine for over 20 years. He was always a very good friend and someone who was brilliant and unique in so many ways. His professional medical history in Sumter County is Legend and he was the conduit to many other foreign physicians who have come here to live and practice. Most of all, he was a sweet and humble Man and I will never forget his charm and kindness.*

“ *Dr. Gene Serra was a Legend, a Colleague and a true Friend. We have known each other over 20 years and spent many days together and with Gloria. There will never be another like him. A Man with many talents and also a humble Man. His joys in Life were traveling with Gloria all over the World, tending to his beautiful Garden and Dancing with Gloria. The Man dressed in Black was never at a lost to play a Piano and entertain everyone with his remarkable talents and charm. RIP Gene, we miss you ...already! With LOVE and Gratitude,*
