“ *Dear Butch, Joyce and Dottie, Very sad here tonight, to learn of Miss Jean's passing. Carroll met Don after he moved here in 1965 and went to work at Seller's auto parts store in Tavares. He tells about the races they enjoyed, the tracks they went to, and Jean once introduced Carroll to Don's mother as Don's brother, they were together so much. I moved to FL. Memorial Day, 1975 and met your folks; they were both the finest kind of people. I ran out of gas in front of the Auto Mart on my way to work at J.M. Fields one morning and Don came out to save me. When the gas gauge on that TR4A indicated "E" it was stone cold, bone dry, empty! I offered to pay Don, and he said, "Why, Ma'am. How you do talk". Such kindness was inherent in both Don and Jean. We are convinced that they both have gone straight to the Heavens, and are now resting each other's arms. With love and respect, Caryl and "Bubba"*
