“ Sweet but feisty, that's how I will always remember Gram. She always had a story, something to make you feel better or laugh. She was one of the most generous people I've ever known. I know it's been a year, but my heart aches and the tears free fall just remembering she's gone. But I know she's in heaven, dancing with her Roger, and making everybody laugh. Prayers and love to the family on this day of remembrance.

“ I was so sorry to read this about our Aunt Geneva....She sure was a sweet heart and I have many memories of Rochester, NY home and her famous spaghetti dinners...The wedding gift of an electric frying pan was something that lasted up until a few years ago and I would always think of her when I used it....which was often....Thoughts of all of you and prayers for peace in your hearts...
