“ Miss Hartzler was a wonderful teacher. I had her for three years in Junior High School in Jackson, Mi. We remained friends in my adult life. I use to take my two children with their Halloween Costumes on over to see her and her mother. They both enjoyed seeing the little ones. We remained friends through the years and I enjoyed sending her cards and getting mail from her. I just sent her a Christmas card and she had told me she had had a stroke. I wish I could have been there to be with her. I use to also call and visit with her on the phone occassionally. She will be missed I'm sure by everyone! My condolences to you all.

“ I have known Genevieve Hartzler since she came here. I was a Realtor and sold her the home on Bay Meadows Circle. She's been a good friend of both my late wife and myself. I also knew her late brother (Bill) and sold his home. Gen was always upbeat even when she wasn't well. She contributed so much of herself to society and to the youth. God Bless her soul and may she now be with her Lord, her Savior. She will be missed. My condolences to all the family. I am sorry that I did not know of the service at Beyer's this morning, or I would have been present. Chuck Themm(Fruitland Park, Florida)
