

George Allan Abel

October 30, 1937 - December 7, 2025

George Allan Abel, born October 30, 1937, passed away peacefully, leaving behind a legacy of love, laughter, and adventure. George lived his life with a full heart, an easy smile, and an undeniable zest for the moments that made life worth living.

George was a devoted father to his four children: Glenda Flores and her husband Mark, Sharon Abel, William Abel, and Marie Smith and her husband Ryan Smith. He was a proud grandfather to 12 grandchildren and a great-grandfather to 12 great-grandchildren, each of whom brought him immense pride and happiness.

He was a man who treasured his friendships and found true joy in simple pleasures, especially boating. Being on the water was the place he felt most at home, and his fondest memories were spent out on the boat, sharing stories, laughter, sunshine and friends. George was a Christ follower and loved being part of the Kings County Boat Club, Lions Club, and the United States Marines. He was always ready for the next adventure. George was blessed to find love later in life, Carol, whose companionship brought him warmth and happiness.

George is reunited in heaven with the mother of his children, Sharon, and his longtime girlfriend Lizette, who preceded him in death. The comfort of knowing

they are together again brings peace to those who loved him.

George will be remembered for his humor, his generous spirit, and the joy he carried with him wherever he went. His legacy lives on in the family he cherished, the friends who adored him, and every ripple across the water where he found his greatest peace.

May his memory be a blessing, and may he rest in everlasting peace.

We will remember him always, as a nice friend to all of us. He enjoyed his daily visits to Eugene & Jeannie Peterson. Where Fran & I would visit together. All go out for dinner. He never complained. George & Carol were always a joy to see & visit at the Community Club. George may you R.I.P. Francis & Leona Briggs

“ These are from Nita

Here are 4 pictures she found of our dad. None of us together because I was usually taking the photos 😊

1983 Nitas house in Hanford for New Year's Eve

1983 skiing at the delta. George was determined to get up on the kneeboard. Kent Smith was help in him.

1986 sandy beach at Stockton delta. Your dad fed that stray cat every fish he caught.

1989 Camping at Pismo Dunes with the Kings County Boat & Ski Club.

Nita sent these to me because she don't know how to upload them to his obituary page ☐ He was such a great friend 💕💕

“What a great man. You will be missed by us all. I will forever cherish all the great memories I have of riding in the mountains to go launch the boats. The memories of you teaching me how to do fiberglass on the lifestyles. And how to get that epoxy off your hands when we made a mess of it. The memories of riding around with you in your little green car. The memories of riding around with you in your truck with a whole bag of curly fries from Jack-in-the-Box. Every memory of you is a special one. I remember going down to that basement in Hanford to eat pickled eggs Most people were afraid of them, but I absolutely loved it. I stayed with you a lot. I wouldn't be half the man I am today if it wasn't for you. I remember sitting in that big concrete boat scared to climb the ladder to get up to it scared to climb a ladder to get down into it. But you always made everything feel safe, even when you threw me off the back of that boat to teach me how to swim. I will forever tell the stories to my children friends, and family. I will miss your laugh. I will miss your smile. I will miss your voice. I miss those conversations on the phone, just talking about boats and motors and all the things you've done in your life. I know now that you are sailing on that beautiful sailboat on perfect water. Forever in all of our hearts and especially mine.

“ I will always cherish the times George and I spend riding around RidgeCrest in the golf cart. George said to me “you make a good pina-colada”. You are forever in my heart and prayers, rest in peace my friend! 🙏

“ George has been a part of my life for over 56 years and his kids & boating were the 2 most fun & important things in his life. The huge sailboat he bought & worked on in his back yard with the kids is one of my fondest memories that is until he moved up into the Delta and bought his “big” boat that he & Liz and friends in the River View Yacht Club caravanned to San Francisco with every year for a weeks vacation. The fun we had boating will always be the best. I will miss my Georgie Porgie and am grateful for the love & memories we shared. Love you kids and pray we never lose the connection we have.
