“ *Oh George...you left so soon. Ya I know...you didn't want to be a burden for Bev over a long period of sickness and hospital visits. That's the kind of person that you were. I'll miss you George and so will a lot of the folks here in the neighborhood. God Bless you my friend. Goodbye.*

“ *George, I am deeply sorry that I didn't have a chance to say goodbye. Golfview will be a different place without your smiling face greeting us as we enter the area. I got to meet your son, Ryan, today. What a fine young man. We promise to watch over Bev and keep her on the straight and narrow. So long until we meet again. God Bless.*

“ My dear friend George. There just aren't words to express the shock of your sudden departure from this earth and the sadness it brings to my broken heart. We go way back to grade school and high school. And those were the good old days. I'm comforted that you are not suffering anymore. You're special to me, and always a gentleman. Enjoyed seeing you at our yearly high school reunions. My heart goes out to Bev and Ryan. May all of us find comfort from God in this terrible loss. Love you George. Your friend always, June
