“ Mrs Hilda, I am so sorry to hear of your loss of G.W. He was such a great guy who always had everyone else's best intrest in mind. He would likely do anything for anyone and again likely at his expense. He will be greatly missed. Again, so sorry for the loss to all who knew him.

“ *We have wonderful memories of wintering in Fruitland Park and spending time with G.W., Hilda, and Harry, having dinner, boating, gambling, cards with mom, a trip to Mississippi, and just plain visiting. We considered both G.W. and Hilda good friends and we are going to miss G.W. We are so sorry for your loss, Hilda. G.W. was funny and friendly and we are thinking of both him and you at this sad time. God bless. Ray and Lana*

“ G.W., was truly a gift from God for our family. He taught me do do some things like . pressure washing, as well as other things which have helped us greatly. It was always nice to talk to GW and find out what was up. He loved his family. Perhaps the best single advice that my friend GW ever gave me was to bury the hatchet with my sister and re-establish a relationship. It was just what I needed to do. It has worked. Mom always enjoyed GW and his comments as she walked her laps. In fact as GW was on one of his "last laps" in Lady Lake last week. I brought Mom there to let him know we loved him. He looked up and said " hello Beautiful" . She smiled and a few minutes later we said goodbye for the last time. Goodbye GW thanks for being my friend, making Mom always feel special, showing us all how to never give up. May God find you a great spot with no leaves, grass that is always green, and you are able to play your banjo while you look out for us all. The Wilson Family
