“ My thoughts are with all of you, especially Mike, Liz, and Krista former students, and with you, Steve, former co-worker. I have so many fond memories of this wonderful person who I had the privilege to work with for many years. His commitment to his teaching career, and his family as well as his unforgettable smile and laugh are the what come to mind as I remember George. May your cherished memories be a strength for you at this difficult time. With deepest sympathy. Anne

It's Krista... Thank you much for this. I just came across it when I was trying to search Google for former phone numbers I had because I forgot which is linked to my Gmail account and can't get in, lol. I do appreciate this tons though Mrs. Osborne. I think you're literally the only person who included me in his mourning. I'm still in the Syracuse area... Over in Eastwood. Perhaps we can get together for coffee sometime? If you feel like it it would be awful nice to have someone to reminisce about my younger years with. Feel free to message me at krista.casey.lowry@gmail.com or call/text 315-254-0539. Thank you once again for this.
