“ *Uncle George, we didn't see each other often, because of distance, but you were a source of support when my parents died. Your calls of concern were comforting. Well, you out-lived your brother and sisters: James, Patricia and Josephine.*

*I am glad to read you will be buried near my Mom and Dad.*

*That was the last time I saw you: for Dad's military service and when I brought Mom's urn to the cemetery office; there you were, preparing for the future.*

*Rest well Uncle George, you will be missed.*

*Condolences to Karen, Dana, George, Carolyn and the family*
