“ Dear Mark, I am so sorry to hear about your daddy. He was a good man and I thought the world of him and your mom. I am out of state right now or I would be there. You take care and my thoughts and prayers are with you.

My Father, Douglas Riddick, was good friends with George Chubaty from the mid seventies through 1979 when Chubaty lived in Dover, Delaware. My Father left Delaware in late 79. I remember going to George Chubaty's house with my Dad regularly...as well as to the nearby Dover YMCA. Chubaty was a big bicyclist then.. as was my Dad and they were in that bicycle club that met at the Dover YMCA. My Dad passed away of a massive heart attack December 2018 and would talk about his times in the bicycle club with Mr. Chubaty on and off until right before my Dad passed. I was going through some of my Dad's things last night and came across an old list of job references from 1980 and before. I saw George Chubaty listed and remembered him fondly, googled his name and found he passed away in 2020. I remember as a boy in Delaware Chubaty's nice wife, Ruth. As well as his Son Mark Chubaty...who I remember as a good guy. I remember Chubaty's race cars and stories. Once he gave me a wallet made out of snakeskin...which was exciting for me as an eight or nine year old boy. To the Chubaty family I am sorry for your loss.
