R,

“ Georlyn, to you and all your family, we send prayers and heartfelt sorrow for your loss. I know when we watch one of our loved ones go thru a painful illness and the roller coaster ride that goes with it, it's often said "at least they are no longer in pain",ect...and although that's true we still are left to deal with our day to day loss of someone we never pictured being without. I do hope your able to find some comfort in all the wonderful memories this dear man no doubt left you and your family with. God bless.

“ Hello. I wanted to tell you how much I've enjoyed George for 30 years or so now. Having taught Georlyn, way back in 5th grade, I've known the family. My family and I have trusted him all these years with our taxes, knowing he was honest. Y'all lived down the road from me and I've ridden my horse down to say hello when you were there. I am so sorry for your loss and my sympathy is deep for the family. Know you are in my thoughts and prayers. Sue
