“ *George and June were the first people we met when we bought our home here in Florida 7 years ago. They became good friends and George will be missed greatly. But we celebrate the fact the we were blessed with such a wonderful person in our lives and send our best wishes to June and all of his family.*

“ *A seed must die and be planted before it can spring up into a new life. There are so many examples Roger has given us, I might suggest that his example of kind hospitality may not be his greatest attribute, but it was the finest example I had ever seen.*

“ Roger was a fine brother-in-law. But beyond that he was a good friend. Roger had a very positive impact upon me in my youth. I should also point out that Roger was also a pretty decent softball player in his younger years. I was proud to see him presenting the Colors before all home football games at Northmont High School. He will be missed.

“ June, we can not imagine the pain you must be feeling regarding the loss of your Roger but we wish that in your heart and soul he will live on to be together with you forever. We would like to send the following quote: "The angels are always near to those who are grieving, to whisper to them that their loved ones are safe in the hand of God". May God bless you and your family
