“ Dear Barbara & family - we are deeply saddened to learn of the passing of our cousin George. There's a nice saying in Greek (roughly translated) 'may you and your family keep well to be able to remember him'. Our thoughts and prayers are with you at this difficult time. Hopefully you can take some comfort knowing that he is no longer suffering. Our love to you all. Gregory, Katina, George & Ben Loupos

“ I am truly sorry for your loss and for the rest of Mr. Loupos's family. I have been praying for him for quite some time. Unfortunately for us who are left behind, the answer to prayer was not the one we were looking for. Only Mr. Loupos truly knows the Glory of the Heavenly Kingdom as he has been "promoted" to eternal bliss. I feel compelled to let you know how much your dedication meant to him and his fight. With out you to stand at his side his couragous battle would have been brutal. You give inspiration to us all.
