“ George and Eloise,
I am so sorry for your lose of little George. I have such great memories of him on BlackBerry Rd.Chad and I were just talking about him and the mini bike he had. The sleep over at your house and our house. One day it was so windy out and we took an umbrella and a skate board and blew down the whole street. Those are just some of the great memories that I have of him. Again I am so sorry for your lose. I am sorry I lost touch after you moved.
George was truly a great person. My condolences Michelle Gillespie
