“ *Dear Billie and Family, What a wonderful man! I have such great memories of George and our time spent together at LifeStream. I'm sure he's in his heavenly garden - maybe on the shore of a lake where he can fish while tending his plants. He will surely be missed. Love, Judy*

“ *Our sincere sympathy to all the family. George was my first cousin. Always enjoyed his stories and humor. When my brother had passed away and Doyle, my other brother, got in an auto accident shortly after - George set me up with a fish tank and fish. Will always cherish his memory.*
