“ George was a great person and a good friend while I worked at the Springfield Fire Dept. I used to go to his basement and see his collection and artifacts he got with his metal detector

“ Dear Gale and Family, Please accept my sincere sympathy in the loss of your Dad. Your Dad trained me in 1965 when I joined the force. He was a super Police Officer and a great Street Cop. When I learned your Dad loved Scuba Diving I got Dive Certified and did many dives with him, especially Shark River. Your Dad and I were having coffee at Bryant Pond one Sunday when he got out of the car and looked over the wall, discovering the body floating. I really looked up to your Dad. He will be missed by many.

“ My deepest condolences on your loss. George and I worked together on the Police Department. He was one of the nicest people I knew. My memories of him meeting his mom and dad in Newberrys parking lot still bring a smile to me. He loved his wife and family and on many a midnight shift would talk about them. George was special, and made the people around him better, may he rest in peace.
