“ Dear George, I have thought of you and our many friends in Fla often only to come to find that so many of you have passed. I can truly say that you have been missed for all these long years I have been away and I will continue to think of you and the wonderful things you taught me often. I know you are in good company because there have never been more special people to share the fruits is the spirit with than you and Joyce. I miss both so much.

“ To the Siessel Family, I am deeply saddened by the death of George. I worked with George at Lee Adult until he retired. He and I and Joyce (our principal) were great buddies and we hung out together, going to dinner, his great Halloween parties, etc. He and I had a mutual love of all things "Wizard of Oz". He was at my house for a party last year and that was the last time I saw him. I will miss him, and I pray for God's comfort and peace for the family. Marilyn Codispoti

GF

“ Very sorry to hear of George's passing when my mother called me this morning. He was a good brother-in-law and one of the more interesting individuals I had the opportunity to chat with over the years. My thoughts and prayers are with Gale Lee, George Sr., and the family.

“ George, I'm going to miss you so much. Living on the west coast, I had never heard of White Castle back in the early 1980's. When you found that out, you took me to my first one. I'm going to miss seeing you at amusement parks. I'm going to miss visiting you & looking at your ticket collection and your park postcard collections and the enjoyable conversations we had late into those evenings during my Florida visits regarding them and parks' history. The last time I saw you George, we went to Disney's Animal Kingdom and rode Expedition Everest, and the motion sickness got to both of us roller coaster vets! You filled my life with many treasured memories. Rest peacefully, dear friend. My deepest sympathies go to Mr. Siessel, sister Gail, and the rest of George's extended family relations.

“ I am late in sending this, but I'd like to extend my belated sympathies to his family. He was so very kind, interesting, & considerate. I enjoyed taking care of him in the last year of his illness.
