“ So many wonderful memories we had with GR aka "Papa George" that we will cherish for a lifetime. We know he is rejoicing in Heaven with other special family members who have also gone on before us. The only good thing about cancer is it gave us a chance to say Good-bye. We were able to be with him in some of his final good days. We will always miss him and think of him often. We Love You GR!

“ *My prayers are with this family. I was the nurse there on the day before Mr Smith passed. My step dad passed the same day as your loved one so i do know very much how you must feel today. I have not gone back to work. I miss him so much. I have found that prayers at his grave site have helped heal this empty place in my heart. God bless and keep you all....*
