“ *Hello, I am a member of Christ UMC in Bay City and wanted to send my sympathy on your loss. I didn't know George Jr. but knew his parents, George and Julia, and other family members. I first met them when we moved to Bay City in 1988 and they lived in East Bay Village in Essexville. I just wanted you to know that many of us at church remember and think of your family, especially the charter members and quilting ladies. Recently at our All Saints Service we celebrated the life and dedication of George and Julia and others who were part of our church who are no longer with us. May God bless you, and may you be comforted to know that others are thinking of you and sending caring thoughts and prayers.*
