“ My thoughts and prayers go out to George's family and friends. I had the privilege of working with George for a short time @ Liberty Mutual. I must say, he truly was an outstanding individual. We never knew when George would be in the office, but it was like a breath of fresh air when we walked in in the morning and saw him sitting @ his desk. We had so many laughs together, and I will cherish them all. May you remember all the good times you shared, and know that he is now at peace.

“ David and I remember George fondly. He always had a story, a memory, a piece of advice. I certainly learned so much from him during my time in SIU and, through the journal postings during his treatments, I learned even more... to never give up and to hold your loved ones as close as possible. Safe journey, George. Danielle and David

“ I am so sorry to hear of George's passing. George and I worked together as Police Officers in the 81st Precinct in Brooklyn in the late 60's. I ran into George again in Florida as we both started second careers in the Insurance Fraud Investigations field. While George lived in Lake Mary and worked for Liberty Mutual and I worked for various companies in South Florida, I always looked forward to his always happy smiling face at various industry conferences.
