“ *Just heard about your passing. Miss you George
May the road rise up to meet you
May the wind be always at your back
May the sun shine warm upon your face
The rains fall softly upon your fields
And until we meet again,
May God hold you
In the palm of His hand.*

“ *Set the fuse that would light us afire... Watch
it go a pyre. Drown the flames with tears to
sunder. Rip thine self from the crown down
under, and when come a drift we all shall live.
Just remember a man who only lost all from
hunger.*

“ We are so sad to hear of Uncle George's passing. He was a "larger than life" man whose passion for cars and racing could never be beat. We are thinking of the whole family during this difficult time and sending prayers of comfort. May he rest in peace and have a joyful reunion will all the family that have gone before him.
