“ I first met Georgia three years ago volunteering at Houndhaven. After that, she and her husband John would ride their bikes to downtown Winter Garden and eat at Winter Garden pizza. I bring my dogs there every Friday and Georgia would bring them treats and love on them. Every time my dogs saw her their tails would wag like crazy. She and John were two of the nicest people I have ever met and it was a blessing to know her. RIP Georgia. Everyone who knew you are going to miss you and your kindness as well as your love for animals. Jim Lory
