“ Dear Jacobson family,
Please accept my condolence and deep regrets for your loss at this very painful and difficult time for I lost my entire family to this enemy death and would like to share where I found help at that time. I found comfort and hope in what I read in Jehovah God's word the Bible at John 5:28,29 for there we're told we'll see our love ones again at the resurrection when Jesus brings them back here on earth and we're also told at I Corinthians 15:54 that this enemy death will be gone forever. With these scriptures and jw.org I'm able to cope with my loss and get through each day because now I now I'll see my love ones again and so can you. I wanted to share this with you now when hope and comfort is needed hoping that this will help you
also for this is my purpose in sharing this with you at this time and please know that I do share your grief and hope you'll feel free to let me know if this helped in some way. I hope to hear from you.
Sincerely, GM
